Dear Parent:

Thank you so much for your interest in Spa Christian Elementary School. We provide a quality academic program, founded upon Biblical principles and a Christian worldview, for children in pre-school through grade 6. To learn more about who we are and what our mission is, and to “meet” our faculty and staff, please visit our website at www.spachristian.com.

We have enclosed application forms and information that will be of interest to you as you consider the possibility of sending your child to Spa Christian Elementary School. If you wish to apply, please complete and submit the following:

- New Student Information
- Family Application
- Statement of Faith (signed by at least one parent or guardian)
- application fee (see enclosed School Charges sheet)

Please give your pastor the Reference form and send the Request for Transfer of Records to your child’s prior school if they have previously attended K-5.

When we have received these forms, we will contact you to schedule a parent interview. At the time of the interview, we ask that you bring a copy of your child’s birth certificate and an up-to-date immunization record. If your child is entering kindergarten through 6th grade, we will schedule a grade level screening with the appropriate teacher.

We encourage you to come visit our school during the school day so you can see classes in action. If you have any further questions or concerns, or if you would like to visit our school, please call us at 885-0508. We pray that the Lord will make His will clear to you as you seek His guidance in the education of your children.

Sincerely,

Jennie E. MacDonald
